## Social Impact Investment Opportunities

Join Friends of the Children-Boston as a Social Impact Investor during this year's milestone annual Friend Raiser. We will be celebrating 20 years of generational change with our Achievers, their families, program alumni, and our supporters. We will also be honoring the New England Patriots Foundation with The Power of One Award.

Our time-tested, proven model focuses on the power of one-on-one, paid professional mentoring - the only organization in Massachusetts to do so. This provides our Achievers with a trusted mentor as they grow through each phase of their young lives toward adulthood - 12+ years, no matter what. We also look beyond the Achiever to their families. We partner with their caregivers to ensure that they have the resources they need to provide stability within their homes.

Investment levels for our Friend Raiser offer the opportunity for organizations and individuals to highlight their support of our work and mission, while also increasing their visibility among our attendees - many of whom are influential members of the Greater Boston community.

**Your investment will help us get one  
step closer to achieving our vision  
that every child who needs a Friend  
can have a Friend.**
