COURTSIDE *with Friends*

WHY THIS EVENT MATTERS

At Friends of the Children – Eastern Montana, we believe every child deserves a long-term, stable, supportive relationship with a mentor who shows up — 12+ years, no matter what.

Our professional mentors (Friends) walk alongside youth facing the toughest barriers in our community, building trust, nurturing strengths, and empowering families through a two-generation approach.

We are proud to launch our first annual signature fundraiser, a celebration of mentorship, community, and the power of showing up. Your investment ensures that more children in Yellowstone County can experience the consistency, belonging, and hope they deserve.

WHERE COMMUNITY & IMPACT MEET

At this event, supporters, caregivers, partners, and friends will come together for an afternoon of pickleball, connection, and storytelling. Guests will hear firsthand from youth and caregivers whose lives have been transformed by having a Friend for life.

Your sponsorship directly fuels our work — expanding access, strengthening family support, and helping us reach even more youth across Eastern Montana.

Our work is preventative and addresses public safety, the local economy and community culture at the core, our youth.
