FRIEND- SHIP CLUB

The Friendship Club is the easiest way to support a child all year long with 12 gifts in 12 months. We stand by the youth we walk alongside for 12+ years, no matter what. When you become a monthly donor, you make that commitment possible. Donate today, and your first two monthly gifts will be matched dollar for dollar.

\$10 per month

Weekly homework help for the entire school year so that a youth will stay on track to graduate high school.

\$25 per month

Celebration outing for youth who achieved their monthly goal, reinforcing a sense of pride and hope for the future.

\$50 per month

Cell phone for a Friend to have constant contact with a youth who is homeless as a result of domestic violence.

\$100 per month

Technology classes like coding and video production so youth may succeed in the workforce and secure living-wage jobs.

LEGACY GIVING

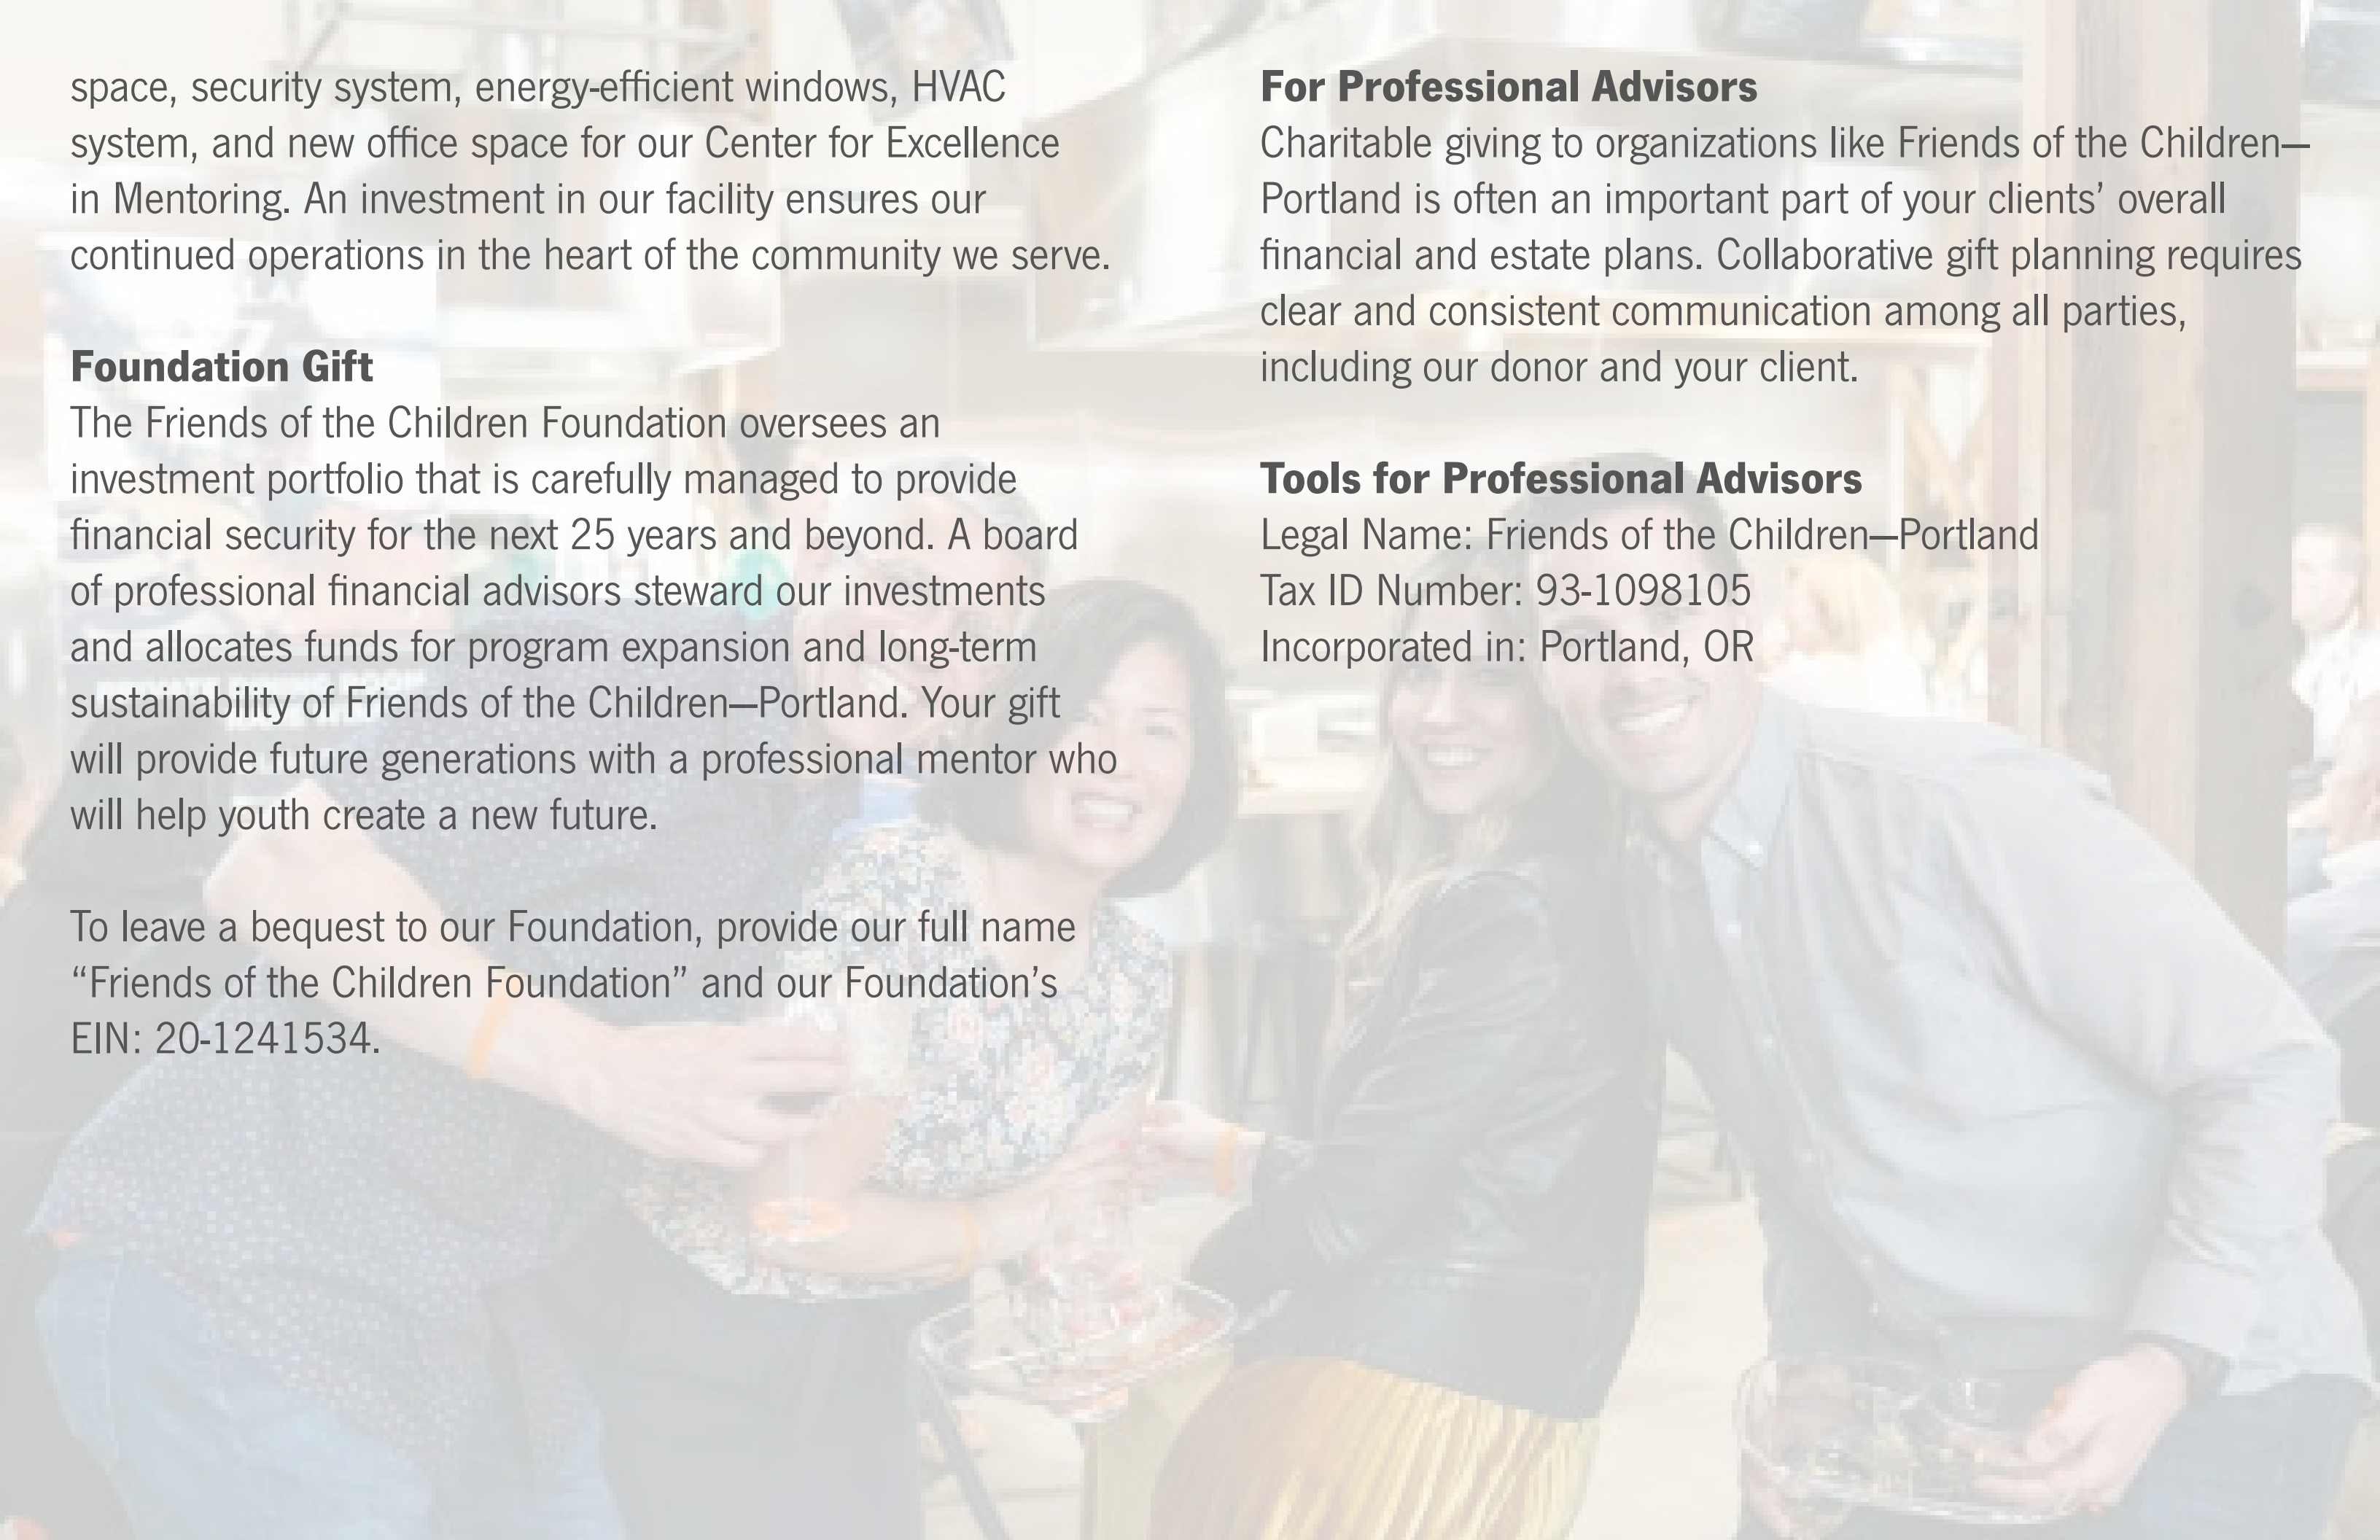

Help ensure the sustainability of FriendsPDX by naming Friends of the Children—Portland as a beneficiary of your will, trust, insurance policy or IRA, or by establishing a life-income gift. In doing so, you will become a member of the Forever Friends Society.

Multi-Year Investment

You can make a big impact with a multi-year pledge that provides critical funding we can count on to ensure our youth receive the services they deserve. Your investment in the future could be an annual gift of \$1,500, \$5,000, \$10,000 or any amount and time with which you are comfortable. If you prefer to use your Donor Advised Fund, rather than a multi-year pledge, you can make one significant gift and we will allocate the funds to our budget over a time-frame you prefer.

Legacy Capital Campaign

Our historic headquarters in NE Portland have served the community for 25 years. However, our building is aging and requires upgrades that will allow us to more effectively and efficiently serve youth, the community and our National Headquarters. Improvements include new youth program

space, security system, energy-efficient windows, HVAC system, and new office space for our Center for Excellence in Mentoring. An investment in our facility ensures our continued operations in the heart of the community we serve.

Foundation Gift

The Friends of the Children Foundation oversees an investment portfolio that is carefully managed to provide financial security for the next 25 years and beyond. A board of professional financial advisors steward our investments and allocates funds for program expansion and long-term sustainability of Friends of the Children—Portland. Your gift will provide future generations with a professional mentor who will help youth create a new future.

To leave a bequest to our Foundation, provide our full name “Friends of the Children Foundation” and our Foundation’s EIN: 20-1241534.

For Professional Advisors
