Create. Connect. Change Lives.

Join us for 'Coloring a Brighter Future', an Art Exhibit Benefiting Friends - Utah.

Friends of the Children – Utah invites you to be part of something meaningful — an evening that brings together local artists, the youth we serve, and our community, all in celebration of creativity.

How it works: Donate a piece(s) of your work to be displayed and sold at the event. 100% of proceeds support our mission. As a participating artist, you're invited to attend free of charge as our guest — attendance is welcomed, but entirely optional.

We're proud to promote every participating artist (details on page 2). Your generosity does more than support an event — it provides children facing some of life's greatest challenges with a dedicated professional mentor.

DATE: **September 24, 2026**

TIME: **6 PM**

VENUE: **Willow Creek Country Club | 8505 Willow Creek Dr. Sandy**

We welcome pottery, ceramics, jewelry, painting, sculpture, photography, and all forms of artistic expression!

Join us — your art can color a brighter future for a child.

WHY ARTISTS PARTICIPATE

- **Promotion across our channels** — your work and name featured on our social media, event webpage, and newsletters, as well as at the event itself
- **A ticket to the event** — enjoy the evening with food and drinks, meet our guests, and see your work displayed live alongside artwork created by youth
- **Community exposure** — connect with new collectors, supporters, and fellow artists in the community
- **Unsold pieces may be reclaimed** — let us know in advance, and if your piece doesn't sell, it's held for pickup at our office
- **A meaningful impact** — your generosity supports children experiencing poverty and adversity through the connection and belonging of a professional mentor (a "Friend") for 12+ years, from kindergarten through high school graduation — a commitment that breaks harmful cycles and colors a brighter future for these resilient children in our community

To participate, simply register online and deliver your artwork to our office in Kearns (5361 S 4220 W, Suite B, Kearns, UT 84118) by August 21st. If you're unable to deliver, contact us to coordinate a time to connect.

PLEASE COMPLETE [THIS FORM](#) OR USE THE QR CODE TO REGISTER:

Thank you for your support!

We disrupt cycles of poverty and adversity by providing youth facing the greatest challenges with dedicated professional mentors called "Friends." Friends offer belonging, connection and guidance to youth throughout childhood, kindergarten to high school graduation!
