## Create. Connect. Change Lives.

2026 Community Arts and Crafts Fundraiser

Friends of the Children – Utah is thrilled to invite you to participate in our 2026 Community Arts & Crafts Fundraiser – a celebration of creativity that brings together local artists, the youth we serve, and our broader community.

Artists participate by generously donating a piece of their work to be displayed and sold at the event, with all proceeds supporting our mission. Attendance on the night is appreciated but entirely optional.

DATE: **September 24, 2026**

TIME: **6 PM**

VENUE: **Willow Creek Country Club | 8505 Willow Creek Dr. Sandy**

*We welcome pottery, ceramics, jewelry, painting, sculpture, photography, and all forms of artistic expression!*

Your work will be featured alongside pieces created by the remarkable youth we serve through our long-term, professional mentorship program. Guests will view and purchase artwork – with proceeds directly supporting our mission to break cycles of poverty and adversity through consistent, caring mentorship.

*Join us — your art can change a child's story.*

## HOW TO GET INVOLVED

- We are gratefully accepting donated pieces to support our mission. We welcome a range of mediums and pricepoints – pottery, jewelry, original paintings, prints, etc.
  - All artists will receive a tax-deductible donation receipt for the value of donated art
  - Unsold pieces will be considered a permanent donation to Friends-Utah. If you would prefer to reclaim your unsold piece(s) after the event, simply let us know in advance and we will hold it for pickup at our office
  - **To participate, register and drop off your artwork at our Kearns office (5361 S 4220 W, Suite B, Kearns, UT 84118) by August 21st**
- 
- Art thrives in community – share this with an artist you admire!

### PLEASE COMPLETE [THIS FORM](#) TO REGISTER:

*Register before August 1st to receive special recognition across our social media and promotional materials!*
