Call for Artists & Artisans!

Thank you for sharing your creativity with us! Friends of the Children–Utah is thrilled to invite you to be part of our Community Arts and Crafts Friendraiser, our premier public-facing event of the year. **Artists who confirm their participation before August 1st will receive special recognition and features across our social media channels and promotional materials.**

September 11, 2025

6:00 – 9:00 pm

The Sugar Space 132 S 800 W SLC

This event will bring together local artists like you, youth in our program, and community members for an evening that celebrates creativity for a cause.

As a participating artist, your work will be featured alongside pieces created by the incredible youth we serve through our long-term, relationship-based mentorship program. Guests will have the opportunity to view and purchase artwork, with proceeds directly supporting our mission: **to break cycles of intergenerational poverty through consistent, caring mentorship.** Throughout the evening, guests will mingle over appetizers and drinks while enjoying art in a relaxed, welcoming atmosphere.

We would be honored to feature your work as part of this inspiring evening.

HOW TO SUPPORT

We are excited to welcome participation in one of two ways:

- Donate a piece/pieces outright
- Attend the event and bring multiple pieces to sell with a percentage of the sales going to Friends of the Children – Utah

All artists will receive a tax-deductible donation receipt for the value of donated art.

If you are interested in joining us, please reach out to Development Manager Elise Forbes Wallace (contact information below). Our team will coordinate with you to help display your art and pricing.

Your participation makes this event both beautiful and impactful by connecting your art to a meaningful cause and supporting transformational youth mentorship. Thank you.
