THANK YOU FOR SUPPORTING FRIENDS OF THE CHILDREN - UTAH!

Friends of the Children–Utah is thrilled to announce our second annual Community Arts and Crafts Friendraiser - our premier public–facing event of the year! This inspiring gathering will bring together local artists, youth, and community members for a vibrant celebration of creativity, connection, and purpose.

This unique event showcases artwork from professional local artists as well as the talented youth we serve through our long–term, relationship–based mentorship program. Guests have the opportunity to view and purchase these pieces, with all proceeds going directly to support our mission: to break cycles of intergenerational poverty through the power of consistent, caring mentorship.

Friends – Utah's approach to mentoring is impacting generational change in our community. As a sponsor, you'll be a partner in this local impact while gaining valuable visibility within a community that values giving back. We look forward to engaging both longtime supporters and new friends as we build momentum to help youth reach their full potential!

FALL 2026
EXACT DATE AND LOCATION TBD
FOR MORE INFORMATION PLEASE CONTACT:
Elise Forbes Wallace, Development Manager
eforbeswallace@friendsutah.org
(385) 955–5083

We disrupt cycles of poverty and adversity by providing youth facing the greatest challenges with dedicated, salaried professional mentors, called "Friends." Friends offer belonging, connection and guidance to youth throughout childhood, kindergarten-high school graduation!
